Product highlights

Nickel-plated connectors

Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.

Quality construction

Quality construction uses only top grade materials to create products of extended durability.

Color-coded connectors

Color coded connections make it easy to install your cable into the correct inputs and outputs

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.

Molded plug

Molded plugs ensure secure connections between components and offer extended durability.
